

Stay Dry and Show Your Wolverine Pride

Bellevue Wolverine Golf Umbrellas \$35 Benefits the BHS Class of 2014

Watching track events, football/soccer/lacrosse games, playing golf or walking the dog in the pouring rain can be a drag. Now you can show your Wolverine pride and get maximum coverage from the elements with a ShedRain Golf Umbrella. Not just for those of you who have a student at Bellevue High School, this is the perfect umbrella if your kids are Wolverines of the future, you are BHS alumni, you are the proud grandparent of a Bellevue student, or just want to show your support for our students.

You can't miss with this well-constructed bumbershoot. The royal blue umbrella imprinted on two panels in yellow with "Bellevue Wolverines", features a 60-inch arc when opened. The Fiberglass shaft and rib construction offers a significant increase in durability and umbrella life. It includes reflective trim on the vented canopy and an ergonomic rubber-coated handle with metallic trim.

Please allow one week for delivery. Umbrellas will be hand-delivered to your home (in the Bellevue/Seattle area).
