

Bellevue High School PTSA Enrichment Grant Information 2010=2011

Do you have a great idea to improve education at Bellevue High School? We want to hear from you! The Bellevue High School PTSA encourages teachers, parents, staff, and students to submit grant requests for projects, programs, materials and equipment to enrich the education experience of Bellevue High students in the best possible way.

Our goal is to benefit the students of Bellevue High School in the areas of Academics, Athletics, Activities, and Administration. Our hope is that we will receive many worthy requests. With that goal in mind, we have developed a set of criteria, used to evaluate every grant request. In addition, we have attached a checklist to the request form to insure that your grant request provides all the information we need to make a fair funding decision.

Grant requests which are approved will be funded within four weeks of the due date.

Please submit your completed grant request to masangeorzan@aol.com or turn it into the PTSA mail slot in the Staff Room by 3:00pm on the grant cycle due date. Late requests will be considered during the next scheduled grant cycle. Please note that all materials and equipment become the property of Bellevue School District.
