PTSA fills a vital role at Bellevue High School. The majority of PTSA time and money directly supports programs for all students, including academics, activities and events.

Without our dedicated volunteers our ability to continue our current level of support could be impacted.

Want to chair a committee? Want to just help out? Don't have any experience? If you have time, regardless of how much or how little we have a job for you.

Please sign up today for one of the following positions for the 2010 – 2011 school year.

Contact [Susan Flagg](#) to volunteer or for more information.
