

Bellevue High School PTSA Grants Committee Grants Criteria

The purpose of the Bellevue High School PTSA Enrichment Grant Fund is to support programs and activities that enrich all aspects of the Bellevue High School experience. Enrichment grants are made in four areas: Academics, Activities, Administration and Athletics.

The following criteria are used to evaluate every grant request.

- Number of students benefiting from the grant.
- Duration of time students are served.
- Demonstrated need for the project/materials.
- Availability of other funding sources.
- Approval from department head or team coach.
- Athletic wear will be considered based on the uniform rotation schedule set by Athletic Director.
- Grant requests are generally limited to \$4,000.

Items generally not funded include:

- Athletic wear that goes with an individual.
- Direct school employee compensation.
- Ongoing programs requiring yearly funding.
- Transportation other than for field trips.
- Basic classroom needs that are typically provided by the school district.
- Line items on the PTSA budget.
