

Join Your Bellevue High School PTSA

The Bellevue PTSA is committed to helping students, teachers and staff succeed during these extraordinary times. School will fully open in-person for the 2021-2022 school year and we are expecting both new and ongoing requests for support. We are working to make the greatest impact possible on the Bellevue High community and provide support where it's most needed. Your membership will likely support increased social and emotional student support, staff appreciation, academic and college application support, sports, music programs, and many other programs. **Thank you for helping BHS!**
